

Cupboard Safes

Specification

Easily installed within a cupboard at home or in an office, the Stone Safes Cupboard Safe is also a popular accessory to vehicles, caravans and park homes – providing instant secure storage of your valuables.

Finished in a metallic grey rust proof coating, the cupboard safe is easy to anchor down to a brick, concrete or steel surface.

A flock lining provides a smooth textured surface to prevent damage to documents and valuables, while the large door provides easy access for larger items.

Fitted with a 7 lever security safe lock as standard and supplied with 2 keys, the Cupboard Safe can be manufactured to client colour requirements - subject to quantity.

Cupboard Safes	External (mm)		
	H	W	D
Cupboard I	130	205	335
Cupboard II	130	310	335

To enable continued product development we reserve the right to alter the specification without notice. All measurements must be considered as approximate.
