

# Standard Vehicle Safe & Base

## Specification

Ideal for taxis, milk floats and other vehicles which have a cash collection round, the Stone Safes' Vehicle Cash Collection Safe provides a secure safety deposit for notes and coins.

Built from 3mm steel and finished in a metallic grey rust proof coating. The unit is anchored to the vehicle and secured into place with a security deadlock.

A separate lock and key is provided for the cash box to enable driver and base staff different levels of security access.

The Stone Safes Vehicle Cash Collection Safe is established as a proven security measure for taxi drivers and other cash collection personnel in the UK and in continental Europe.

The vehicle safe is fitted with a 110mm x 12mm slot to accept cash deposits and is designed with an anti-fishing mechanism to avoid unauthorised access.

An optional security deposit capsule is also available.

Vehicle Safe	External (mm)			Internal (mm)			Weight
	H	W	D	H	W	D	KG
	265	205	150	235	200	120	10

Made in UK
